Join Michael Gordon, Executive Director, Doug Stein, Board Chair and the Board of Trustees of the Pursuit of Happiness for Underserved and Under-Resourced Youth for our 3<sup>rd</sup> Annual charity golf benefit.

All proceeds from the Golf Benefit supports The Pursuit of Happiness. These funds allow for the foundation to continue its mission “to restore hope by alleviating the drivers of poverty one life at a time” and to provide under resourced youth opportunities where they are hard to find.

# The Pursuit of Happiness

The Pursuit of Happiness partners with individuals and corporations to restore hope by alleviating the drivers of poverty on life at a time. Our mission is accomplished through counseling, internships, mentoring and our apprenticeship program. Our holistic approach will collectively nurture the health, educational wellbeing, and professional preparation of each individual with whom we partner.

Your support helps us achieve our goals. If you are unable to attend our Golf Benefit and would like to support the work we are doing with youth in Chattanooga you can visit our website [www.thepursuitofhappiness423.com](http://www.thepursuitofhappiness423.com) to contribute.
